

# Peel Sailing and Cruising Club

## Notes of Race Meeting – Wednesday 24 March 2010

### Present

Martin Birchenough, Stu Blackley, Scutch Horne, Andrew Hall,  
Trevor Cowin, Jim Whitelegg and Mark Gosden

### 1. Race Programme 2010

Proposed programme was tabled and agreed with minor amendments.

### 2. Race Marks

Only change is that the old 'buoy' mark which caused some confusion, is now to be renamed 'bay' mark and identified with its own club mark.

### 3. Race OOD

As there was no longer a 'land based' race office, it was agreed after some discussion that yachts should take it in turn to provide the OOD. The race programme is to be amended to reflect this.

### 4. Racing Handicaps

It was agreed that a handicap 'tribunal' be established consisting of three club members.

The role of the 'tribunal' would be to allocate racing handicaps to those yachts that did not have a published yardstick, and to be able to modify club yardsticks as appropriate. The meeting were of the opinion that only 'small' bilge keel yachts handicaps should be adjusted this season.

The meeting agreed that Jim Whitelegg, Mark Gosden and Trevor Cowin should form the 'tribunal' for this coming season.
